Gather

A Book Discussion

Tuesday, November 26

@ 1PM in the Library

"Ian isn't supposed to have a dog, but a lot of things that shouldn't happen end up happening anyway."

Gather, Ian's adopted pup, is good company now that Ian has to quit the basketball team, find a job, and keep an eye on his mom as she struggles with addiction after a back injury. Ian is resourceful and clever and will stop at nothing to keep his family afloat and hold on to their land.

When a shocking turn of events sends Ian and Gather on the run, the stakes are high and the path forward looks tough, but if there is one thing Ian knows how to do, it's survive.

Join us for a guided book discussion and form connections to the Museums on Main Street exhibit.

Snacks will be provided.

Everyone is welcome!
